Principal's Message

Welcome to the 2016/17 School Year! Congratulations to the students and staff of Cuba Elementary for moving our school grade from an "F" to a "C" for the 2015/16 school year! There are many factors that the state uses to calculate school grades, and this is an important accomplishment. We will continue to work together to focus on student learning and growth and move that school grade to an "A"!

Please visit our **Parent Center** located in the Elementary School library. The Parent Center has computers and a printer for your use and lots of materials available for you to check out to have fun with your child while helping to develop math and literacy skills. It is open whenever the Elementary School is in use.

The Elementary School is collecting Box Tops! Please save those box tops and help us purchase prizes for our Accelerated Reader Program!

Cuba Elementary will be adding **after-school tutoring** this year to help students gain needed skills and ability. Please contact your child's **teacher to set up tutoring**. **Transportation is available to outlying areas and snacks will be provided!**

Grade-level tips to help you help your child succeed in school will be coming out the first of every month from each grade. Look for them!
