Dear Parents / Guardians,

As this school year quickly comes to an end, I would like to take this opportunity to thank you for your continued support throughout the school year. As we approach the end of the school year, we need to continue to encourage our students to continue to work hard and get all their assignments completed and turned in.

The promotion ceremony for the eighth grade class will be on Friday May 14, 2021 at 10:00 AM at the football field. Attendance at the ceremony is restricted to four guests per eighth grader. Temperatures will be taken upon entry to the field and masks and social distancing are required. The eighth graders’ school year will end on Friday if they have completed and turned in all their assignments and have passed all their classes. We are very excited to hold this promotion and very proud of our eighth graders.

I strongly encourage all students to continue to work hard in completing and turning in all assignments. If your student needs help, do not hesitate to contact their teachers, the counselor or myself.

We will be having summer school and extended learning this summer and I encourage all students to attend and take advantage of the extracurricular activities the Middle School staff has put together. The activities that will be held during this time will be designed to be extra fun and entertaining.

If you have any questions or concerns do not hesitate to contact me.

Thank you,
Arsenio Jacquez, Principal
According to Wikipedia, a newsletter is a regularly distributed publication that is generally about one main topic of interest to its subscribers. Newspapers and leaflets are types of newsletters.

For example, newsletters are distributed at schools to inform parents about things that happen in that school.
