Dear Families,

Your 4th grade teachers would like to keep in touch with you. You may contact us by phone: Diane Suazo (505)269-0769 or Martha Montoya (505)269-0949. Your child's online assignments will be located in the Google Classroom starting August 13th. Please let us know if you need a USB stick with your child's work,

We like to touch base with families often throughout the week to make sure there are no problems, that they understand the work and how to turn it in, as well as answer any questions. We will be assigning a Pass/Fail grade for work completion to all students at the end of the semester.

Please contact us. We are here to help. Please let us know if you need support in any way. These are difficult times but we are all in this together. Let us know what you need.

Thank You,

Diana Suazo
